

Declaration of Conformity

For the Dutch Grid Code "Netcode elektriciteit"

Applicable to inverters in installations of "Type B" (1 – 50MW)

Inverter Types:

SUN2000-36KTL
SUN2000-36KTL AFCI

Statement:

The above mentioned Solar Inverters (Power Park Modules, PPM) are compliant to the technical regulations set forth in the "Netcode electriciteit" for installations of "Type B". Compliance has been demonstrated with test reports for:

- CLC-TS 50549-1 & 2 as issued by TÜV SÜD Product Service GmbH
- VDE4110 / VDE4120 Prototype Confirmation as issued by DNV-GL

The compliance has been verified by Netbeheer Nederland and is registered in the Dutch National Inverter Database for Grid Operators.

Huawei Technologies (Netherlands) B.V.
